

A-10 SCHOOL DISTRICT GOALS AND OBJECTIVES

The goal of the Plainfield Community School Corporation is to provide for the development of each student into an adult who can stand confidently, participate fully, learn continually, and contribute meaningfully to our society.

Six objectives which contribute to the achievement of this goal define desirable outcomes to be incorporated into short and long-range plans for the school system.

- To provide opportunities for each student to develop proficiency in academic skills according to his/her ability
- To provide programs which will allow for individual differences and will meet individual needs
- To ensure that each student develops the capacity to recognize and cope with the problems of our society
- To ensure the development of meaningful interpersonal relationships among student, staff, and community
- To ensure that staff, students, and parents are afforded participation in the development and evaluation of programs and policies that meet the educational needs of the community
- To ensure efficiency in the allocation of human and material resources
