

A-4 STAFF INVOLVEMENT IN DECISION-MAKING

It shall be the policy of the Board of School Trustees to encourage employee participation in decision-making for the school district. The superintendent is authorized to recommend policies for the proper functioning of the district.

The superintendent shall evolve with professional and nonprofessional employees' channels for the ready intercommunication of ideas and feelings regarding the operation of the schools. He or she shall weigh with care the counsel given by employees, especially given by groups who are designated to represent large segments of the staff, and shall inform the Board of all such counsel in presenting reports of administrative action and in presenting recommendations for Board action.
