

## **B-11 UNEXPIRED TERM FULFILLMENT**

If there shall occur a vacancy in the membership of the Board of School Trustees for any reason, including but not limited to the failure of a sufficient number of petitions for candidates for governing body membership being filed for any election, the remaining members of the governing body shall by majority vote fill such vacancy by appointing a person from within the boundaries of the school corporation with the residence and other qualifications provided for a regularly elected board member filling such membership, to serve for the term or the balance of the term.

If a tie vote should occur in the appointing process, and the Board members cannot resolve the deadlock, provisions of state law shall be used to fill the vacancy.

A vacancy on the Board shall occur if a member ceases to be a resident of the school corporation but shall not occur where he or she moves from one address to another within the school district boundaries.
