

B-18 BOARD COMMITTEES

SPECIAL COMMITTEES

Special committees may be appointed by the Board. Such committees shall be discharged when the work is finished, or earlier if by a majority vote of the entire Board. All reports of special committees shall be made directly to the Board as a whole.

CITIZENS ADVISORY COMMITTEE OR TASK FORCES

The Board shall, when it deems advisable, appoint advisory committees or task forces to assist the Board in research projects, long-range studies, advisory program evaluation and development of policies or educational goals. Each committee or task force shall be appointed for a specific purpose.

Such committees or task forces shall serve in an advisory capacity only, proposing recommendations based on analysis of a problem, and shall exist only as long as is necessary for the study and the report to the Board on particular projects assigned them. The Board shall give careful consideration to all recommendations, although final action and responsibility shall remain with the Board.
