

D-12 AUDITS

The financial records for the school corporation shall be audited by the State Board of Accounts. The extracurricular accounts of each school shall be audited at the same time. These audits shall be scheduled at the discretion of the State Board of Accounts.

The Superintendent shall be responsible for filing one copy of the audit report for public record. Recommendations of the auditors will be sent to the president of the Board. Recommendations concerning extracurricular accounts will be sent to each school principal and treasurer.
