

E-11 AUTHORIZED USE OF SCHOOL-OWNED MATERIALS

Equipment and supplies are purchased from school and school district funds for the regular instructional program in the schools of the Plainfield Community School Corporation. To maintain equipment in its proper location and to keep repairs to a minimum, no school equipment may be used for other than school purposes, except when used in connection with a facility rental as provided in Board Policy K-8, or if requested by a local or state governmental body. The Board may permit school equipment to be loaned to staff members when such use is directly or peripherally related to their employment and to students when the equipment is to be used in connection with their studies or extracurricular activities. Proper controls shall be established to assure the borrower's responsibility for, and return of, all such equipment.
