

G-36 RESIGNATION OF PROFESSIONAL STAFF MEMBERS

A written notice of resignation duly signed and dated shall be filed with the superintendent or his designee at least thirty (30) days before the beginning date of the school term.

In accordance with the current statutes, or by mutual agreement, a professional staff member may be released from a contract in less than thirty (30) days.

The Board of School Trustees, as the employing body, gives authority to the superintendent of schools to accept or reject the resignation from an employee in its behalf. The superintendent shall notify members of the Board of all such acceptances or rejections through written communication at the next following regular Board meeting.
