

G-39 NON-SCHOOL EMPLOYMENT BY PROFESSIONAL PERSONNEL

Professional staff members shall not at any time engage in any employment that would affect their usefulness as employees in the school district, would make time and/or energy demands upon the individuals which could interfere with their effectiveness in performing their regular assigned duties, would compromise or embarrass the school corporation, would adversely affect their employment status or professional standing, or would in any way conflict with assigned duties.

Professional staff members shall not engage in any other employment or in any private business during the hours necessary to fulfill appropriate assigned duties.

If the staff member violates local, state, or national laws or engages in activities out of line with standards expected of members of the professional staff, then the Board must be concerned, and may take appropriate action.
