

G-4 STAFF CONDUCT

The Board of School Trustees of the Plainfield Community School Corporation expects all staff members to enforce a standard of personal conduct in the school buildings, on school grounds, at school functions, and in the community which shall be above reproach and which shall contribute to a high morale in the school and a wholesome school reputation.

Employees of the Plainfield Community School Corporation shall be neatly attired and groomed while discharging their responsibilities to the district. Grooming and attire will not offend community tastes or standards.
