A "firearm" is any weapon that is capable of expelling, designed to expel, or may readily be converted to expel a projectile by means of an explosion.

"Weapon" means an object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms, tasers, handguns, stun guns, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, chemical weapons, metallic knuckles, martial arts weapons, ammunition, and destructive devices (bomb, incendiary device, grenade, Molotov cocktail, or rocket, with a propellant charge of more than four (4) ounces, etc.).

A "knife" is defined as "an instrument that: 1) consists of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing, or tearing wounds; and 2) is intended to be used as a weapon." I.C. 35-47-5-2.5(a).

Policy

No school employee may possess a firearm in a school building or on school property while on duty as a school employee unless the firearm is locked in the trunk of the employee's vehicle, kept in the glove compartment of the employee's locked vehicle or stored out of plain sight in the employee's locked vehicle. This exception does not apply to students unless it is a high school student who is a member of a shooting sports team and the principal has approved the student keeping a firearm concealed in the student's motor vehicle on days the student is competing or practicing as a member of a shooting sports team. This exception also does not apply to former students if the person is no longer enrolled in school due to a disciplinary action within the previous twenty-four (24) months.

A student or employee who has reason to believe that a person is violating the law or this Policy shall immediately report the alleged violation to an administrator or law enforcement officer. The Corporation will immediately report any suspected violation of this law to law enforcement, as a violation of this law constitutes a criminal offense for adults and an act of delinquency for juveniles. The Corporation may take any necessary steps to exclude the person from school property or events for safety concerns.

No employee in the scope of his or her employment may possess a firearm, ammunition, or other dangerous weapon in or on school property, in or on property that is being used by a school for a school function, on a school bus, or in a motor vehicle that is owned, leased, or controlled by the Corporation. The Superintendent will report an employee who violates this policy to law enforcement officials. The employee also will be subject to disciplinary action, up to and including termination, for violation of this policy.

No student may possess, store, make, or use a weapon, in or on property that is being used by a school for a school function, or on a school bus.

The Superintendent will report any student who violates this policy to the student's parents or guardians and to the law enforcement agency having jurisdiction over the property where the offense occurs. The student also may be subject to disciplinary action, up to and including expulsion.

Any employee who holds one of the following position is authorized to carry a firearm in or on school property:

- A. School Resource Officer,
- B. Any off-duty law enforcement officer contracted to work school events.

Any employee found to violate this policy will be subject to disciplinary action up to and including termination of employment.

No person, including School Board members, may intentionally or openly display a firearm at any public meeting of the School Board.
