

G-5 STAFF MEMBERS USE OF DRUGS AND ALCOHOL

The unlawful possession, use, distribution, and/or being under the influence of drugs or alcoholic beverages on the school premises or as a part of any of its activities is prohibited for any school employee. Employees of the district, while on duty, will not knowingly possess, use, transmit, sell, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverages, stimulants, depressants or intoxicants of any kind whether prescribed or sold over the counter (use of a drug authorized by a medical prescription from a physician is not a violation of this rule.)

Violations of this policy by employees which involve unlawful possession, use, distribution, transportation, selling or appearing at work under the influence will be "good cause" for termination of employment. In such cases, an employee will be informed of his or her rights.
