

I-18 STUDENT SOCIAL EVENTS

The Board of School Trustees believes that social activities in school life assist students in learning how to enjoy worthwhile group events, how to conduct them, and how to contribute to the Enjoyment of others. Therefore, school groups and classes may use school facilities to hold social events for their membership.

The principal and the teaching staff shall approve and evaluate social events in terms of contributions to student growth and morale.

Proper chaperoning shall be provided under direction of the principal.

School organizations holding dances and other social functions will provide for adequate police protection to control traffic, to protect parking areas during the function, and to be on call as necessary for protecting the welfare of the guests.
