

I-23 INTERSCHOLASTIC ATHLETICS

The principal of each school is responsible for the athletic program of the school involved. While activities can be delegated, the responsibility remains with the principal. The scheduling and coordinating of interscholastic athletics shall be the responsibility of the principal, but may be under the direction and supervision of the athletic director, who is responsible to the principal. Furthermore, the high school athletic director and the high school principal shall be responsible for maintaining and insuring that proper rules and regulations are met so that the high school may continue to be a member of the Indiana High School Athletic Association.
