

I-24 ADULT EDUCATION PROGRAMS

An adult education program may be developed in the Plainfield Community School Corporation when there is sufficient demand and financing available to justify such a program.

The adult education program may be supported with local, state, or federal monies. A fee may be charged to offset local costs. Any fee must be approved by the Board of School Trustees.

Adult classes approved for reimbursement and/or awarding of high school credit shall be in accordance with rules and regulations of the Indiana Department of Education.
