

J-40 STUDENT VOLUNTEERS FOR SCHOOL AND PUBLIC SERVICE

The Board encourages the utilization of student volunteers in the educational program (e.g., student librarians, student office helpers, etc.) and in useful community services. However, a student volunteer must be capable of carrying out the additional load without endangering their academic achievement. Therefore, all student volunteers shall be expected to maintain their grades, attend all classes, and recognize that the activity to which they are volunteering their services is secondary to the primary goal of getting an education.
