

## **K-1 SCHOOL-COMMUNITY RELATIONS GOALS**

The Board of School Trustees recognizes the right of the public to information concerning any or all of its actions, its policies, and the details of its educational and business operations. The Board encourages study, discussion, and active participation by all concerned in the promotion of the best possible program of education in the community.

The Board of School Trustees will transact all official business in open meetings which the press, the public, and school employees are welcome to attend, and at which time communications, both oral and written, will be received and considered.

The Board will function as speedily and as efficiently as circumstances will permit, and always with due regard for the public interest.

Board members will familiarize themselves with the work of the school system in all major areas and shall bring to the professional direction of the schools the viewpoint, the knowledge, and the wisdom of the community.

The Board will make provision for recording proceedings of all meetings. Minutes of all Board meetings are public records.

The Board will keep in mind that maintaining the confidence and respect of the community is of paramount importance to the success of the educational program of the district.
